*Personal Growth Through Musical Excellence*

Dear Parents,

Decatur High School Choral Department's strives to develop students into productive citizens. The discipline of music requires goal setting, concentrating, individual responsibility, group conformity, quick decision-making, and thriving under pressure. Productive citizens retain these skills and use them in life. Success in our program leads to success in life.

Our choral program's reputation wasn't achieved overnight with a magic potion. Student and parent commitment developed our reputation. I truly believe your child can earn a feeling of accomplishment in chorus. Let's enjoy a prosperous year in which your child develops through musical excellence.

Your child's membership in Decatur High Chorus is dependent on several pre-requisite requirements:

- Parent attendance of required parent meeting—either Tuesday August 19<sup>th</sup> or Tuesday August 26<sup>th</sup>. If neither of these dates
- Payment of chorus booster fee.
- Submission of required Field Trip/Medical and Online Biographical Information Forms.

Please review the attached pages and have the Field Trip/Medical Form notarized. (A notary will be present at the parent meetings) Visit the chorus website, ([www.DecaturChorus.com](http://www.DecaturChorus.com)) click on the Student Information link on the main page to submit student biographical information. (Should you not have internet service at home, have your child pick up a print copy that you may fill-in and return to school.) At the mandatory parent meeting you will be given the opportunity to sign up for areas in which you are willing to volunteer. Attendance at the parent meeting is required for a student to be able to travel off campus.

Submission of Biographical Information Form (online), and submission of the Field Trip Permission Form are all required for your child to receive a passing grade for chorus.

Sincerely,

Carl B. Davis

Choral Director
