Dear Parents and Friends,

On behalf of the DHS Choral Department, I extend to you a hearty welcome to our annual Spring Concert. It is my pleasure to teach some the finest students in Decatur. The greatest reward of my efforts is to have watched these students mature--socially and musically. It is intrinsically satisfying to observe these students growing in knowledge and skill in an activity which they may enjoy for the remainder of their lives.

Parents, you are to be given much credit for the success of this department for the past four years. We've experienced phenomenal growth in numbers in the last four years and next year we have over 200 registered for chorus. The support you have shown by your presence today and over the past year is greatly appreciated. Without your help, much would have been left undone. The number of volunteers is too numerous to list, beginning with the donut sale this fall and continuing until regional festival this past Friday.

Thank you again!

Carl B. Davis

Choral Director
