The Choirs
Under the direction of Dr. Davis, the Decatur High School Choirs consistently receive superior ratings at district, regional and state festivals and participate in spring performance tours to locations such as Virginia Beach, Toronto, Chicago, Orlando and Atlanta. The Chamber Chorus recently won the Sweepstakes Award at the Gulf Coast Choral Festival in Biloxi, Mississippi, numerically scoring higher than any other school in our school size. Each year, for the past five, the scores of the choir rose, culminating with winning the sweepstakes award this year.
