

## Alabama All-State Choir Auditions

Students are given the opportunity to participate in auditions (November 13<sup>th</sup>) for Alabama All-State Chorus. Rehearsal time is available for those who wish to audition, however each student must be willing and capable of learning all audition pieces by himself with an instructional CD. Each student is expected to purchase an accompaniment CD and Music for \$25.00. The choral department pays the student's registration fee. Students choosing to audition must work on the music at home with CD, however we are available to help students with their audition music.

Students should not waste time auditioning without being adequately prepared.

Any student chosen by Alabama Vocal Association to participate will be expected to provide funds for the three-day trip to Samford, March 8-10, 2018

Approximately \$90 + 5 meals

The choral department will pay required school and student registration fees.
