

# Concert Policy

## **Concert Etiquette**

- Members who engage in any behavior, during a performance, that is not considered as proper concert etiquette will be removed from the performance and supervised by a parent or teacher chaperone or principal and receive a 0 for that performance grade.

## **Leaving a Performance/Checking Out**

- Since the Christmas and Spring Concert performances are a Decatur City Schools event, graded as a semester exam and supervised by City Schools employees, leaving a performance before everyone is dismissed, except for illness, will be considered as skipping. If a student leaves the Christmas or Spring Concert before everyone is dismissed, except for illness, then the student will receive a semester test grade of 0 with no possibility to make-up. Furthermore, for disciplinary action not to be taken against the student, a parent or legal guardian must “check-out” the student with the attending administrator. As during the regular school day, notes are not accepted. The PARENT must check the student "out" with the attending administrator.
